O1 EXCESS BRAND ESSENCE

BRAND MANIFESTO

To all those who live with passion Who thirst to be in the moment Who cannot stand compromises and commands. Those who savour sensations.

Who hunger for simple pleasures and wild rides. Let's follow our instincts.

Let's keep believing in the joys of spontaneity. Feeling alive as we embrace wind and weather. Let's go where our heart or head leads us. Rather than docilely doing what's expected of us. Let's break the routine, choose

our own path, find ourselves again.

Let's be aesthetes and hedonists. Outdoorsy and outgoing. Let's abandon moderation. And embrace the ecstasy of Excess.

O2 EXCESS BRAND IDENTITY

LOGO

IN THE WAKE, LEAVE YOUR MARK, WRITE YOUR OWN STORY

The logo depicts the wake streaming behind a boat as it sails on its way. True evidence of sporting prowess, the wake is a line drawn by the joy of cutting through the waves. The drawing also evokes the "animal" lines of the boat: rounded and elegant, fluid and sporty. XCS acts as a signature, a natural and spontaneous act of pride. The Beneteau Group signifies a new history for catamarans. —

The Excess typography, too, embodies sporting prowess and pride in a product designed to generate high emotions, in line with unwavering principles of design.
